## ORANGE PEDAL

Inspired by the orange groves that once stood where O.H.S.O. Brewery began. A pronounced orange flavor supported by fresh citrus, and vanilla give Orange Pedal it's complex citrus infusion. Orange Pedal is the perfect pint to start your day.

## 89ALE

89ALE is our interpretation of a historical American style that was born during the gold rush. Notes of caramel and toffee come together with a toasty maltiness. This malt forward beer is finely tuned with a rustic and earthy hop profile to create a harmonious gestalt.

## O.H.S.O. HOPPY

An American IPA bringing a decadent hop aroma with essences of floral, pine, and grapefruit that come together to plan their flavor assault. The hops flow into a soft malt background balanced by a smooth bitterness that leaves your palette ready for more.

**Availability:** year-round

## MORNING BREW

Leave your assumptions at the door; a coffee-infused beer doesn't have to be dark. Brewed with oats and milk sugar and aged with coffee and vanilla beans. Hints of almond and chocolate accentuate this deceptively flavorful coffee blonde ale. Trust in your palette and not your eyes and dive in.

*'Too early for beer but too late for coffee?'*

**Availability:** year-round

## POPCYCLE BLONDE

Brewed as an ode to everyone's favorite frozen treat. Popcycle Blonde ale takes raspberries and lemons and combines them for a poolside sipper. This beer evokes the sound of the ice cream truck approaching. Popcycle Blonde is light, sweet, and thirst quenching made for hot days and good times.

## LOST VIKING

The Lost Viking is a Baltic Porter. We cold ferment this lagered porter for a dark but smooth finish. Complex, rich with notes of chocolate, and a hint of smoke but without the harsh roast astringency that is normally present in dark beers. Get lost in the world of darker beers with The Lost Viking.

**Availability:** year-round
