While we offer gluten-free menu options, we are not a gluten-free kitchen or brewery. We practice serious caution in preparing our gluten-free items and do our best to ensure a gluten-free product. However, normal kitchen operations involve shared cooking and preparation areas, and cross-contact with other allergen containing foods may occur during preparation.

We are unable to guarantee that any menu item is completely free from any particular allergen, and we assume no liability for the accuracy of the information provided or responsibility for guests with food allergies or sensitivities. We will do our best to accommodate your needs.
